

# World Congress & Expo on Bioscience & Healthcare

**Hybrid Conference**

*Theme: New digital Era of Bioscience &  
Healthcare*

**October 8-10, 2024 Naples, Italy**

# Invitation

Linkin Science welcomes you all to World Congress & Expo on Bioscience & Healthcare (Onsite and Online) to be held during October 8-10, 2024. The theme of the conference is “New digital Era of Bioscience & Healthcare”. We anticipate your participation at Bioscience & Healthcare Hybridevent. The conference will catalyzes ideas and enhance new interdisciplinary collaborations.

Bioscience & Healthcare are rapidly expanding by playing a prominent role in medical and healthcare fields. This conference is a platform to Industry, Academia, Researchers, and Innovators to come together to discuss the research activities, advancements, ideas and exhibit Bioscience & Healthcare products.

Bioscience & Healthcare is rapidly gaining attraction across a range of industries, from agriculture to water treatment to energy storage. Today, Bioscience & Healthcare is one of the most innovative, cutting-edge areas of scientific study and it continues to advance at staggering rates. Some of the highlights of the multi-disciplinary program include world- leading experts speaking on Primary healthcare, Clinical Radiology & Biomedicine, Healthcare Management, Strategy & Implementation, Environmental science & sustainability, Immunology, Biosensors, Stem cell Therapy and Regenerative medicine, Tissue engineering, Toxicology, Biomolecular engineering. Digital health is a broad, multidisciplinary concept that includes concepts from an intersection between technology and healthcare. Digital health applies digital transformation to the healthcare field and incorporating services. Bioscience & Healthcare conference lays a platform for the researchers to share their research ideas and knowledge of specific techniques in Bioscience field.

Our exciting scientific program will be presented over the course of three days in various session types Keynote Presentations, Oral sessions, Young research forum, symposia, Poster sessions and workshops.

**Regards**  
**Scientific Committee**

# Conference Sessions

- Primary healthcare
- Healthcare Management, Strategy & Implementation
- Clinical Radiology & Biomedicine
- Biosensors
- Tissue engineering
- Immunology
- Stem cell Therapy and Regenerative medicine
- Biomolecular engineering

- Food Resources; Safety, Security, Nutrition
- Digital health : AI, Augmented and virtual reality in Healthcare Industry
- Robotics and drones
- Environmental science & sustainability
- Traditional and Alternative Medicine
- Toxicology

# Conference Highlights

- Best Poster Awards
- Opportunity for Workshops/ Symposia
- Young Research Forum (YRF)
- Great opportunity for Scientific Networking
- Opportunity to become a Sponsor/ Exhibitor

# Global Excellence Awards \$2500

Participants desiring to be considered for one of these awards need to specify their interest after their submission of the required abstract. Selected participants will felicitation certificates under three categories.

- Outstanding Submitted Abstract
- Best Poster Presentation
- Young Researcher Award
- Best Research of the conference as evaluated by the Scientific
- Committee to encourage budding scientists/ researcher.

*Decisions will be made based on evaluation of the submitted abstract by the Scientific Committee. We want you to grab this opportunity and participate in the conference...!*

# About Conference:

Linkin Science offers different modes of registration options to work within your busy schedule according to the participant's interest. We offer registrations for Speakers, Co- Authors, Students, Virtual presenters, Business delegates, Poster Presentations, Accompanying persons, Sponsors and Exhibitors.

**Speaker Registration:** Speakers who are registered for the conference will give an Oral talk on a scheduled day and time.

The person who is interested in attending the conference and not intended to give the talk can choose for this registration. By choosing this registration, delegate can attend the conference for 3 days.

**Young Research Forum (YRF):** Includes students who are pursuing their PhD, Post Doctorate Fellowship

**Co-author Registration:** Co Author will be accompanied along with the speaker. Co- author of the research paper will also be awarded a certificate of presentation given by the Scientific Committee.

**Poster Presentations:** Poster Competition is organized at the conference, to encourage participants to present their original research which will be later published in Conference proceedings.

**Student Registration:** Students can choose student registration to attend the 3 day conference. Students will be felicitated with participation certificate.

**Virtual Presenter:** Participants who are unable to attend the conference and wish to present their research at the conference can register under Virtual presenter. Virtual presenters should submit their presentation as a media file. This presentation will be played during the conference.

## **Sponsorship/Exhibition \$2500**

**Hybrid Conference on advancements of World Congress & Expo on Bioscience & Healthcare 2024 provides an exciting opportunity to sponsor/exhibit your products to the broad international-audience.**

- The company/organization logo will be featured on the Conference website, program and promotional material Corporate logo on the front cover of the final proceedings
- Full page advert inside the conference book
- Logo recognition in pre-conference emails
- One post congress e-mail message to consented congress registrants up to 60 days after the congress (content to be provided by the sponsor)
- An exclusive online Promotion on all our Social Networking Sites.
- Recognition of your products and services in the world market through our website
- Develop new client relationships and strengthen through B2B Meeting
- Brand briefing at the opening and closing ceremonies
- 10% Waiver on Sponsorship for any of our next year Conference

## Venue

# Naples, Italy

## About Naples

Naples – capital of the Italian region Campania and the third-largest municipality in Italy. Naples is one of the oldest continuously inhabited cities in the world. It lies on the west coast of the Italian peninsula, 120 miles (190 km) southeast of Rome. Naples has the fourth-largest urban economy in Italy, after Milan, Rome and Turin. It is the world's 103rd-richest city by purchasing power. The port of Naples is one of the most important in Europe, and has the world's second-highest level of passenger flow, after the port of Hong Kong. The “**Amalfi Coast**” is a stretch of coastline in southern Italy overlooking the Tyrrhenian Sea and the Gulf of Salerno. It is located south of the Sorrentine Peninsula and north of the Cilentan Coast. Dazzling landscapes and fascinating historic and cultural sights await along the stretch of coast between Positano and Vietri sul Mare, famous for its winding highway skirting dramatic cliffs thick with tiny villages and luxurious villas clinging to the rocky slopes and breathtaking views behind every curve.

### Amalfi Coast
