Invitation

Linkin Science welcomes you all to the **World Congress & Expo on Neuroscience Anti-aging and public health Hybrid Conference** with the theme **New challenges and trending applications in the field of Neurology.** which will be hosted at Naples in Italy during **October 1-3, 2024.**

The pace of Neuroscience anti-aging and public health research breakthroughs has continued aims to showcase these scientific developments that are already resulting in measurable benefits for patients. Some of the highlights of the multi-disciplinary programme include world leading experts speaking on early detection and prevention of dementia, Drug Development in Dementia, Depression and anxiety disorders, Autism, Clinical Trials & Case Reports in Dementia, Psychiatry case reports, new developments in Neuroscience, anti-aging & research in public health.

We anticipate attendance at the **Global Neuroscience Anti-aging and public health** will catalyse ideas and enhance new interdisciplinary collaborations. Our exciting scientific program will be presented over the course of three days with six various session types – Keynote Presentations, Oral sessions, Young research forum, symposia, Poster sessions and workshops.

Regards,
Scientific Committee

Conference Sessions

SAVE THE DATE

- Alzheimer's and Dementia
Parkinson disease
- Neurological Disorders and stroke
- Public health medicine ethics and law
- Clinical Neurophysiology
- Neurobiology and behaviour
- Brain injury and behavioural neuroscience
- Neuroscience and Artificial intelligence
- Neurodegenerative Diseases
- Cognitive neuroscience and psychology
- Neurosurgery and spine
- Cosmetic reconstructive surgery
- Psychiatry
- Human brain mapping
- Anti-aging medicine and public health

Highlights of Conference

- Best Poster Awards
 - Opportunity for workshops / Symposiums
 - Young research Forum (YRF)
 - Great opportunity for Scientific Networking
 - Opportunity to become a sponsor/ Exhibitor
 - Register before the early bird date and avail discounted price
- 

Global Excellence Awards for Scientific Presentations:

World Congress & Expo on Neuroscience Anti-aging and public health

anticipates being able to provide funding to assist some participants attending from Lower and Middle Income group Countries to present their research at the conference. Participants desiring to be considered for one of these awards need to specify their interest after their submission of the required abstract. Selected participants will receive a sum of \$2500 (USD) scholarship.

under Four categories.

- 1. Outstanding Submitted Abstract** for the GADC conference.
- 2. Best Research** of the conference as evaluated by the Scientific Committee.
- 3. Young Researcher Award** under YRF category to encourage budding scientists/ researchers.
- 4. Best Poster Presentation Award.**

We want you to grab this opportunity to excel your research and presentation skills.

About Conference

Linkin Science offers different modes of registration options to work within your busy schedule according to the participant's interest. We offer registrations for Speakers, Students, Virtual presenters, Business delegates, Poster Presentations, Accompanying persons, Sponsors and Exhibitors.

Speaker Registration: Speakers who are registered for the conference will give Oral talk on a scheduled day and time.

Business delegates or Company representatives: eligible to register for the conference as a Business delegate. Academic individuals can also attend under delegate category. The person who is interested in attending the conference and not intended to give the talk can choose for this registration. By choosing this registration, delegate can attend the conference for 3 days.

Young Research Forum (YRF): includes students who are pursuing their PhD, Post Doctorate Fellowship.

Poster Presentations: Poster Competition is organized at the conference, to encourage participants to present their original research which will be later published in Conference proceedings.

Student Registration: Students can choose student registration to attend the 3-day conference. Students will be felicitated with participation certificate.

Virtual Presenter: Participants who are unable to attend the conference and wish to present their research at the conference can register under Virtual presenter. Virtual presenters should submit their presentation as a media file. This presentation will be played during the conference.

About Naples, Italy

Naples – capital of the Italian region Campania and the third-largest municipality in Italy. Naples is one of the oldest continuously inhabited cities in the world. Naples has the fourth-largest urban economy in Italy, after Milan, Rome and Turin. It is the world's 103rd-richest city by purchasing power, with an estimated 2011 GDP of US\$83.6 billion. The port of Naples is one of the most important in Europe and has the world's second-highest level of passenger flow, after the port of Hong Kong.
